

## **SELLER PERFORMANCE POLICY**

In order to maintain the strictest quality of service and products supplied on [www.auzaro.com](http://www.auzaro.com), we will review the performance of all sellers on a regular basis. This performance rating is done based on many factors both external (such as customer reviews) and internal to Auzaro.com such as quality of goods shipped, shipment hand over time, number of returns etc. For a detailed list of performance parameters the Seller can get in touch with us at [care@auzaro.com](mailto:care@auzaro.com) and we would be happy to explain the same.
